Ropes! Drums! Dancing! Balloons! What a day! With 95 degree temperatures and sunscreen, we tackled team building activities and a high ropes course. Don't panic- harnesses, ropes, and spotters all around. The kids, and adults, had a challenging, but wonderful time.

Later in the afternoon, the girls learned an interpretive dance. The guys were taught Navajo drumming by a traditional native drummer. Some of the kids and adults were taught how to make balloon animals.

We are ending the day with a campfire and roasted marshmallows. The kids all said to say, "Hey!" And Jenny says, "Mom you were right! Love you all!"

God is good all the time- all the time God is good!
