We had a great day of ministry today. We were up at 7:00 am to get breakfast and pack up our tents. We were doing our first team ministry by 9:30 a.m. We finished up that ministry by noon and had a quick lunch (Church Chicken - yes, it was divine). We then rushed off to a retirement home for a second ministry. We finally made it to the canyon by 4 pm. Took us 2 hrs. to walk down and up and see Spider Rock. By the time we made it to supper it was 6:30 pm. We had a three hour trip home, and after showers we made it to bed at 11:00 pm here. It is now 12:36 am, and I'm off to bed. Tired but praising God for his protection, ministry and blessing.
