Our Program

Cornerstone Preschool has been established to provide a loving Christian environment in which children may have an opportunity to socially interact with others, share feelings and possessions, learn to cooperate, make a positive first break from home and develop self-esteem.

Each member of the teaching staff shares God's special love for everyone in their own creative way. The beauty of God's creation and thankfulness are concepts incorporated into the developmental readiness curriculum through songs, stories, art, and prayer. Teachers are dedicated to seeing that our children reach their individual preschool potential in the following areas of development:

- ✦PHYSICAL
- ✦INTELLECTUAL
- ✦EMOTIONAL
- ✦SOCIAL
- ✦SPIRITUAL

Because of our commitment to Christ and our devotion to God, these Christian values are our *focus*:

- ✦JOY
- ✦LOVE
- ✦FORGIVENESS
- ✦SHARING

*(non-refundable)

Parent Involvement

Our School Board Members strongly encourage parental involvement. Moms and Dads are invited to visit our classroom and participate in our daily activities.

Early Childhood Screenings

To identify children who are either gifted or in need of learning support, we coordinate our schooling with the services of the Early Intervention Programs affiliated with our local Intermediate Units.

Academic Program

The educational cornerstone of our preschool curriculum is the belief that every child has a unique, God-given potential.

Our academic program underlines school readiness activities and discovery learning through:

- ✦READING READINESS
- ✦MATH READINESS
- ✦MUSIC
- ✦ART
- ✦DRAMA
- ✦SCIENCE

These are designed to challenge and prepare each child for their academic years in the school districts located in Montgomery, Berks, and Chester counties.

Christian Component

The Christian cornerstone of our school is The Bible. We model the worth of knowing God's Word and sharing its truth with others. We also teach Christian values through Bible stories, songs, and videos.

Our focus

Our focus is on P-L-A-Y! Play is a child's work, and we believe that the learning experience through purposeful play is essential. Our greatest desire is to make the first school experience of each child a positive one.

**So, get ready! Get set!
'Cause HERE WE GROW!**
