

Progress in the Christian life should never be measured only on individual terms. It is the growth of the body of Christ that is the concern of the New Testament writers.

1. God has chosen to tell His \_\_\_\_\_ through two kinds of \_\_\_\_\_.

There is the witness of \_\_\_\_\_  
\_\_\_\_\_. For this there are \_\_\_\_\_  
\_\_\_\_\_.

There is the witness of \_\_\_\_\_  
\_\_\_\_\_. For this there is a \_\_\_\_\_  
\_\_\_\_\_.

Both of these are needed; both of them center on \_\_\_\_\_.

Paul prays for believers to fulfill their potential. The two key words in his prayer are \_\_\_\_\_ and \_\_\_\_\_.

When these come together, the impact is \_\_\_\_\_  
our \_\_\_\_\_.

2. Christians are \_\_\_\_\_ to a different type of life.

This life is characterized by \_\_\_\_\_.

It is not an \_\_\_\_\_, but a \_\_\_\_\_, which requires a lot of \_\_\_\_\_.

This care is exercised by \_\_\_\_\_  
\_\_\_\_\_ which are supplied by the \_\_\_\_\_  
\_\_\_\_\_.

Their purpose is to create a body that is \_\_\_\_\_.

3. Christian maturity requires \_\_\_\_\_.

Truth in biblical teaching has several components, among them . . .

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

All of this together creates \_\_\_\_\_ as in a healthy \_\_\_\_\_.  
It requires \_\_\_\_\_  
functioning and growing together to fully accomplish its goal,  
which is \_\_\_\_\_ in God's \_\_\_\_\_.
